Term 4, Week 1

Tuesday, October 12, 2010.

From the Principal's desk!!!

Welcome back to term 4, our last term of wonderful learning experiences for 2010. Such an array of learning opportunities are lined up for all our students between now and Christmas.

On Friday night this week is the year 3 Sleepover at school. Ms Gilmour, Ms Birch and Ms Bryon have a great program of activities lined up for their students, hopefully to tire them out so they eventually go to sleep!

Later in the term is the year 4 Camp and that's always eagerly looked forward to by both students and teachers. Mrs Cassidy and Mr Lucas are already planning for the 3 days they will all be away.

We have a special Aboriginal Education day coming up this term as well as Swimming School. I'm sure I don't have to remind you how important swimming lessons are for your children and this is, as usual, a great opportunity for both swimmers and non swimmers to hone their skills, explore life saving techniques, or just become more confident in the water.

Transition programmes for pre-schoolers to Kinder, NEIS students to year 3 and year 6 students to High School are all continuing this term. We look forward to seeing our seniors mature as they get ready to move on, and it's always interesting to see the little folk who will be joining us officially next year, visit our school that is a big school for them!

Summer uniform is now being worn and a reminder that all students must have a school hat on each day. If you need a new hat the cost is \$10. Most families have done a wonderful job at keeping their children in school uniform and I'm sure it must be a little easier in Summer! We have lots of great shady areas where children can play, and some of the new gardens are coming along nicely, with more to be planted.

This term we will again have parent/teacher sessions, but don't leave it till then if you want to speak to a teacher. Just make an appointment and come on in! Teaching and learning is a partnership between home and school so don't be shy!

Barbara Bryon – Assistant Principal.

4C News

Welcome back to what will be a very busy term. Assessments have already begun; these assessments will assist us with reporting. Many of the students are showing great improvements. Mr Lucas and I will be looking for people ready to receive their pen licences, starting this week. Swimming school and the Year 4 camp will be later in the term. More details about these soon. We have begun our Science unit for this term which is called 'The Human Body'. Our HSIE unit will be Places, Then, Now and Tomorrow with a focus on colonisation and local Aboriginal history.

Remember you are welcome to visit the classroom anytime to see what the children are doing and feel free to contact me any time about any issues that you may have.

Kerry Cassidy – 4C Class Teacher.

Welcome back to everyone, and to the warmer weather. With the change in weather, ice blocks and slushies are available again in the canteen.

The canteen is open every Wednesday, Thursday and Friday for recess and lunch, as well as every second Monday. The next Monday we are open is Monday 18/10/10.

Attached to this newsletter is our new Summer Menu. We have brought back some of your old favourites, including SLUSHIES and Sweet Chilli Chicken Wraps. You will notice that the price of some items has risen. This is due to price increases from our suppliers. This is unavoidable.

Help is needed in the canteen on Wednesdays and Fridays for recess selling time, so if anyone does have an hour to spare, please let me know.

There are some CRAZY STRAWS for sale in the canteen for .50c each.

I hope you enjoy the new menu.

See you in the canteen.

Denese Conserdyne - Canteen Supervisor.
