Term 4, Week 7

Tuesday, November 19, 2013.

From the Principal

Our dancers, their parents and Mrs. Stamos are all getting very excited about their trip to Sydney next week. The group leaves on Tuesday, 26th November and will have a huge week of practises and performances at this year **NSW Public School's School Spectacular**. Please refer to last week's school newsletter for details about when we can all watch the School Spectacular on TV. We will also enjoy seeing the dancers in action at our school presentation day to be held at the CRC hall on Tuesday, 10th December. I will see the boys and girls in Sydney but I want to publicly congratulate them all on their hard work so far and I know they will have a fabulous experience in Sydney. A special thanks is extended to Joanne and the children's families for making this experience possible for the children!

If you tune into the Narrandera radio station on **FM 91.1 on Thursday mornings** just after the 9 a.m. news, you will be able to hear up-dated NPS news. NPS students will be heading up to the station each Thursday and their radio announcements will help to keep our community well-informed about school events.

Today (Tuesday, 19th November), most of our Year 5 boys and girls presented their speeches to the school in **this year's student leadership elections**. Thank you to the Narrandera electoral office staff for once again assisting with this democratic election process. The election is run the same as our adult elections with a ballot paper and sealed ballot boxes. Vote counting is completed by the electoral office staff with the confidential results returned to me for announcement at our presentation day. It was wonderful to see so many of our Year 5 students having the confidence to present their speeches to the whole school. The growth in maturity, confidence and responsibility of our senior students over the years during their time with us at NPS is always evidenced in special opportunities such as this election process. Well done boys and girls.

Year 4 children and their teachers are also in for a huge week when they head up to the Narrandera Lake Talbot Caravan Park for their **3-day camp**. This is a most popular event for the boys and girls and a credit to the staff members who spend many hours organising all aspects of the camp as well as hours away from their own families and personal lives.

Our **annual 10-day swimming school** will start on Monday, 25th November. We want all NPS children to participate in these lessons. Lessons with qualified teachers are **FREE** but we do have to cover the cost of the bus (\$2 per day) and entry into the pool (\$1 unless your family has a season ticket and then this would be nil cost) each day of the program. Thank you to all families who have already paid for their child/ren to participate in this swimming and water safety program. Once again, NPS staff members shine in their organisation, time given and support for this program for the children. Thanks team!

I do hope that you have all set aside **Tuesday, 10th December** so you can come along to our most important school 'assembly' of the year – **our annual Presentation Day**. The program will begin right on 12 o'clock at the CRC hall and we should be finished by 2:30 p.m. **P&C raffle tickets in a mini ipad** will be sold at the door but you can always buy these at the school's front office too or, ask for some (more) tickets to sell to family and friends! For those families new to NPS this year, all children will be performing at the Presentation Day. These performances take place between award sections and are very entertaining! Come along – you will have a great time and will be so proud of all the children's achievements whether they are award-winners, performers or BOTH!!!

Have a most enjoyable week.

Susan Ruffles

*Our School has students who are highly allergic to NUTS and NUT PRODUCTS
We seek your co-operation in trying to keep our school NUT FREE*

The Benefits of Nature for our Children

An interactive and informative hands-on workshop which explores how children learn, child development and the benefits of nature in the early years and beyond.

When: Monday 25 November 2013

Where: SACC Centre, Narrandera Public School, Adams Street

Time: 10-12 noon

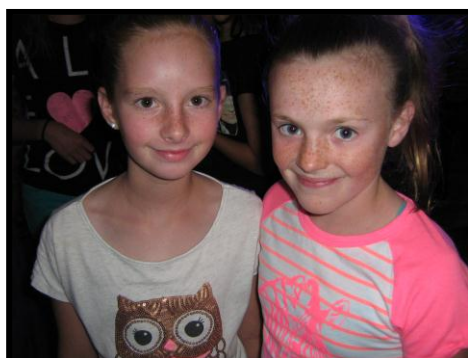

Who can come: Anyone and everyone should come. If you have a connection with children in the 0-5 year age bracket, then you have a responsibility.

Come along and meet Louise Whitton and Julie Bell: Early Childhood Practitioners who are passionate about what they do.

Bookings: Julie at the SACC centre - but not essential - see you there!!!!

Fun at the School Dance
