Year 5 Leaders Speeches

I have heard that the speeches were amazing. Regardless of the results, every student who put themselves up for a leadership position is to be congratulated. I applaud everyone for their courage and determination. Well done boys and girls.

Year 4 Camp

Our year 4 students are off on their school camp this Wednesday. We have some very excited boys and girls. The range of activities and the experiences they will encounter while on this camp are fantastic. I would like to thank Mrs Cassidy, Miss Dunn and Richard in advance for giving up their personal time to make this happen for our students. I look forward to seeing the students when I visit over the three days.

Life Education

Life education visits start this Wednesday and go through to Wednesday of next week. Another note went home yesterday for those who have not paid yet. This visit is a fun and educational treat for the students and it would be good if we could get all our students to attend. A FREE BBQ will be held for the students who have paid THIS THURSDAY. Please ensure you pay before then to avoid your child missing out on the BBQ.

Swimming School

Swim school starts next Monday. Swimming is a valuable skill all children need to learn. Please return the note and money by this Friday. The students are able to wear thongs to and from the pool. They must wear their proper school shoes to school and change back into them when they return from the pool. If you have any other questions about swimming school please contact the school.

Until next week,

Joanne Stamos

HAROLD MERCHANDISE

Dear Parents,

Life Education NSW is a not for profit community-based organisation that relies heavily on the raising of funds within the community to assist in meeting the shortfall left after receiving minimal assistance from Government funding.

The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please provide the **correct money** in an envelope with the item written on the face of the envelope along with your child's name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit.

Class News - 5C

Well done to everyone who made a speech at the assembly for the 2015 elections last Thursday. What a magnificent job you did! You made us all very proud.

Merit winners this week were Shauna McHale-O'Keefe, Mariah Beauchamp, Mackenzie Winnell, Lani Cooper and Avalon Lyons. All these students received their award for giving detailed reports on the news stories seen on BTN and then illustrating them neatly to show their understanding. Our raffle winner last week was Aaliyah Hawkins. Congratulations everyone.

This week in Maths we have been focussing on written Maths problems. Some of the students have found this challenging. They are being asked to read the question more than once if necessary, decide if there is more than one part to the question, and then work out what operation to use. Our focus times tables is 7's. Home learning activities are sent home each week. As this term is so busy, it will just be the spelling words.

The students are winding up their unit on 'Rainforests'. This week in class we will be looking at the amazing powerpoint presentations that the students have made.

Please remember to send in a piece of fruit each day. There have been many notes sent out recently. Well done to the students who have returned them. A new note was sent out for the Life Education van this week. Please return this as soon as possible. The lessons in the van form part of our PD/PE/Health lessons this term. Also a reminder that Swim School notes are due in tomorrow!

Thank you. Kerry Cassidy – 5C Class Teacher.

Remembrance Day 2014

As part of our learning of Australia's involvement in World War 1, Year 3 students went to the Memorial Gardens to commemorate Remembrance Day.

Here is what some of the students remember of the day.

Mr Tallon.

Remembrance Day

On Tuesday we went to the memorial gardens and the war room. At the memorial gardens we saw names of people served in the wars from Narrandera. There was a horse rider he showed us all the stuff that they had. At the war room we saw planes, tanks and battle conditions. We saw people that served. It was fun. Martin 3T

On Tuesday the 11th of November Year 3 walked down to the Memorial Gardens and stood still for a minute of silence to remember the ones who died in war.

After the minute silence a man was on a horse. He told us about the stuff the Lighthorse Soldiers carried. They had nine pockets that carried 10 bullets in each pocket. The horse was brown.

Down at the Exies they have 2 small war rooms. There were: Old Money, 1 grenade, shoe polish, photos of all the wars, flags, photos of some people who were in the wars and a Victoria Cross.

At the end Year 3 got a cookie and a pen. I got 4 pens, Kayleigh got 3 pens.

I had fun on Tuesday.

Remembrance Day

On Tuesday the 11th at 10:30 Year 3 left the school. We walked to the Memorial gardens.

A man made a speech then two high school people: Logan Smith and Molly Darrington told a story about a soldier.

The man asked everybody who wanted to lay a wreath to lay it now. Lots of people laid a wreath. He then asked everybody to have a minute of silence while we remember the soldiers as a man raised the Australian flag. A girl played the bugle for quite a long time. The man then said thank you to everybody for coming.

After that a man showed us his horse. It was called Wallace. The man was dressed in army uniform. He showed us all his gear including a bayonet and a sword. Then we went to the Ex-serviceman's club. When we walked in they all gave us a glass of water. Then they showed us the war room. We were split into two groups. We saw lots of pictures of people in the war. There was another bayonet in the war room. At the end we all got a cookie made by Isabelle and Kayleigh and a pen. I had fun!
