Farewell & Good luck

From the Principal

This is our final weekly newsletter for 2018.

Our plans are underway for next year with a lot of staff stability as well as a welcome to a few new teachers.

We have set up for 12 classes Kindergarten to Year 6 with designated Assistant Principals supporting each stage of learning. In addition to our classes we have developed a model of learning and wellbeing support that will also be led by an Assistant Principal and specific teams. 'The Hub' and 'The Learning Centre' will run programs for students every day and will involve support timetables for identified students and in-class supports for these students and for teachers. Further to this our Multi-Categorical (MC) class will begin from day 1 next year.

Mr Derek Noffke will be the school's Relieving Principal to begin the 2019 school year as I will be retiring from the Narrandera Public School Principal role at the end of the school holidays.

I would like to take this opportunity to wish everyone a safe and enjoyable holiday period and to thank everyone for their continuing and expanding partnerships as we place the children at the centre of our conversations and our decision-making.

Finally I extend a sincere thank you and farewell to all our outgoing Year 6 students and their families. For some families this will be their 'last' child attending NPS so it is timely that we wish you and your child/ren all the very best for the future. I look forward to hearing about many life-adventures as the years go by.

Have a wonderful Christmas and I shall see many of you in the new year either at school or around the town.

Susan Ruffles
