High School Parent Information Session

Narrandera High School are starting their High School Transition for our Year 6 students as follows:

Where: Narrandera High school
 When: Wednesday 20th November 2019
 Time: 9am – 3pm

Please contact the High School if you require further information.

Presentation Day

Our Annual Presentation Day will be held on Tuesday 10th December, starting at 10:30am. The awards handed out on the day will be very similar to previous years. This is a time when we formally recognise the achievements of our students and all the hard work they have put into their studies this year. Please feel welcome to attend and celebrate student success with us. Further details soon.

Year 6 Graduation

Our Year 6 graduation ceremony and dinner will be held on Tuesday 3rd December at the Exies Club. The ceremony will have a formal feel, with Year 6 parents invited to attend the dinner and ceremony. For some parents, it is the last time they will be a part of the Narrandera Public School family, being their last child graduating from our school. Our Year 6 Parents have played a vital role in their child's education and we as a school are recognising this through including them in this very important event.

Kindergarten Enrolment for 2020

We are now taking enrolments for our Kindergarten class for 2020. Please come and get an enrolment form from the office. Also, if you know anyone with Kindergarten aged children, please encourage them to consider our school.

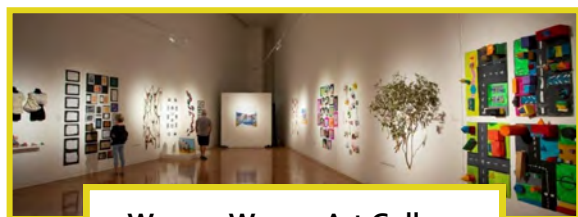

Removing head lice and nits

Mention head lice and most of us instantly develop an itch. While head lice and nits, (the eggs of head lice) are certainly annoying and persistent, they're not dangerous. Here's everything you need to know to rid your kids of head lice and nits. Find out more: <http://www.schoolatoz.nsw.edu.au/wellbeing/health/removing-head-lice-and-nits>

Finally, just reminding parents that our Year 3 and Year 4 camps take place next week. Please have all relevant paperwork filled in and returned to the school office. If you have any questions regarding this, please see your classroom teacher.

Have a great week.

LOOSE CHANGE FOR LOCALS

At Narrandera Public School we love to give back to our community! This year, our group of year 6 students voted through their school parliament to raise money for Narrandera CanAssist!

Member for Admin and SO, Charlee, brought up the idea of raising money for our local Can Assist branch. After a long discussion, many ideas of how to raise money and the affects that cancer have on people's lives; they finally settled on collection tins to be put in classrooms. Charlee presented the 'Loose change for locals' bill to the senate (NPS staff) and it was passed!

This campaign 'LOOSE CHANGE FOR LOCALS' will involve having collection tins placed in our 11 classrooms, the canteen and the front office for a period of 5 weeks (11.11.19 - 12.12.19). The student committee have also discussed taking the tins to special events such as our end of year presentation day and school concert.

Minister for communications, Tom, will contact our local branch to have a member come to our school and accept our donation.

Bread tags for wheelchairs

I have decided to collect bread tags so I can donate them and raise money to help buy wheelchairs for people in South Africa. If I can get 200 kg of bread tags that will buy one wheelchair and also reduce landfill in Australia. So start collecting now and you can bring them to me and I will pass them on. Thank you.

Cooper

Canteen News

This weeks lunch order suggestion from the menu.....

Rainbow salad box \$4.50

Specials for Recess ONLY

Wednesday – Zucchini bites \$1

Thursday – Scones \$0.50

Friday – Smoothies \$1.50

SUSHI is Back!

Don't forget to order your sushi Wednesday mornings for Thursday lunch. \$2.50 per roll.

Little Learners

On Tuesday, following lunch and play on the Infants playground, the Little Learners joined Mr Clark and 5C for an outdoor games session, where they played 'Duck, Duck, Goose', 'Farmer Sam' and 'What's the Time Mr Wolf'. It was a lot of fun and the Year 5 students were fantastic role models and helpers, showing great encouragement, inclusion and care. Thank you Mr Clark and 5C.

On Wednesday, Mel read the book 'Pete the Cat and His Four Groovy Buttons' and the Little Learners did a variety of small group activities, including practicing their cutting and name-writing, reading numbers on a dice and matching the number of buttons and making patterns with buttons. All of the students did a great job with their learning! Thank you to Harry and Miles who were great Year 5 helpers during this session.

Congratulations to Tyler and Harlow who received the Super Bee Awards for the week!

Little Learners were lucky enough to be the first students to ride in the newly purchased school bus and it was very comfortable!

Sally Thiem and Mel Davies
Kindergarten Transition Co-ordinators

4P News

This term 4P has been reading *Storm Boy* by Colin Thiele. We have researched the Coorong and pelicans and are deeply immersed in the story. We look forward to watching both the 1976 film and 2018 film later in the term and comparing them.

In Maths we have been learning about division as well as collecting data and graphing.

We enjoyed the visit from Healthy Harold in Week 3. Everyone got to give Harold a tickle before we left. Healthy Harold is very cheeky!

Year 4 Camp is coming up in Week 6. We are super excited!

KN News

rainbow fish

KN have been writing and have completed art work about jelly fish and rainbow fish.

A rainbow fish blows bubbles. They swim in the water near the beach. Jellyfish are see through. Ciara

The fish is colourful and it eats tiny bits of fish. Nate

Jellyfish can sting people. They can kill fish and other jellyfish. Tyson

Jellyfish are see through. They can sting people. Jacqueline

Rainbow fish can go in the rocks and they can swim in the rocks and they can swim and they can eat. Logan P

I saw a jellyfish. They don't have hearts, brains or faces. They glow in the dark time. They use their skin to breathe. They can get stuck with their tentacles. Imogen

Jellyfish sting people and they glow in the dark.

Rainbow fish swim in the water. Rainbow fish hide behind rocks. Jaxon

Jellyfish breathe in their skin. Jaydis

Rainbow fish hide under rocks. They are different and they are beautiful.

Jellyfish don't have legs and they don't have arms. Brooklyn

I saw a jellyfish in the water. They eat fish and they glow in the dark and are different colours.

I can see a fish in the water and it is rainbow and eats food. Phoenix

Some fish hide in rocks and fish don't blink under water and some fish like gold fish eat little bits of food. They have lots of fins. Some fish eat little bits of food off the sea floor. Some fish are plain red and some are colourful.

Jellyfish don't have bones. They catch their prey in their tentacles. You can see through them. They breathe through their skin. Jellyfish can sting you and they don't have a brain or eyes, teeth, mouths, hearts or lungs. Grace

I saw a jelly fish. They don't have hearts, brains or faces. They glow in the dark time, they use their skin to breathe. They can get stuck with their tentacles. Imogen

Jellyfish are sea animals. They don't have any bones and they glow in the dark.

Rainbow fish hide under rocks that are different colours. Lexi

Some fish hide in the rocks and blow bubbles and blink under the water. They are colourful and eat little bits of food and some fish are gold.

Jellyfish glow in the dark. They have no bones. They have no eyes and they do not have lungs and they do not have noses. Tilly

Jelly fish are see through. Jelly fish can sting people. Jacqueline
