### **Student Reports**

Reports went home yesterday with your child/ren. If you would like an interview with your teacher to discuss your child's progress, please make an appointment. This is a time when you can have any questions or concerns regarding your child's education answered. Even though there are no structured interviews scheduled for Semester 2 reports, please feel welcome to make an appointment if you feel it necessary.

### **Choir**

I would like to thank and congratulate our school choir for their performances at last Sunday night's carols. By all reports they represented our school with pride and sang very well, which is wonderful to hear. Thank you to Mrs Curry, Mr Oehlmann and Mrs Rawsthorn for assisting with this group.

### **School Concert**

I would like to congratulate our students for the way they all performed at our concert last Thursday. I was proud of every student, knowing how nervous they were prior to going on the stage. Thank you to the organising committee for their work leading up to the event. Look out for our next year's event, Carnivale.

I would like to wish everyone a happy and safe Christmas and New Year holiday. Thank you for your support in 2019, it is very much appreciated.

Angus Gunn

Is presented with the NSW Ambulance

## Star Award

On 24 February 2019, nine year old Angus Gunn and his father were out riding motorcycles on the irrigation channel banks around Narrandera when his father crashed. Angus was alone and had to dial Triple Zero (000) for his injured father. Angus provided the location and the extent of his father's injuries, as well as provided information to the paramedics when they arrived.

NSW Ambulance commends Angus for his bravery when faced with difficult medical circumstances.

*Dr Dominic Morgan ASM*  
Commissioner

**Congratulations Angus**

## Uniform Shop

The Uniform Shop will be closed over the Christmas break. It will re-open on Tuesday 28th January between 10.30am - 12.30pm.

Narrandera Preschool has been providing excellence in early childhood programs for over 49 years. Our program encourages children to have fun, make choices whilst learning through their individual interests and having their 'voices' being recognised. Exploration, endless opportunities, creating environments and messy play are encouraged to assist with learning.
