From the Principal

Principal 2022

I would like to inform the community that Brent Fennessy will be undertaking the role of Principal at Narrandera Public School for Terms 1 and 2 next year. Brent comes to Narrandera from Koorinal Public School. I would like to welcome Brent to our school and wish him all the best for a successful start to 2022.

Presentation Day

Our Annual Presentation Day was held last Tuesday and I congratulate all students who received an award. I hope you found the quality of the livestream suitable and easy to view. If you would like to watch it again, or show other family members please go to <https://vimeo.com/event/1593846/videos/650810181/>

2022 Classes – Please Advise

We are currently working on class structures for 2022. If you are moving away from Narrandera at the end of the year and your child will not be attending Narrandera Public School in 2022, could you please advise the school office as soon as possible. Also, if you know of any families moving into the Narrandera zone and will be attending our school next year, please let us know, as grade numbers have a significant impact on the formation of classes.

School Holidays

As the year quickly draws to a close, our last day of Term 4 will be Thursday 16th December, with the first day back being Tuesday 1st February 2022. There are two Staff Development Days at the beginning of Term 1, these being Friday 28th and Monday 31st January. The school will be open on these days if you require uniforms or other information.

Finally, I would like to say thank you to our school community, staff and students for the support over the last three years I have been at Narrandera Public School. The school has been a big part of my life over the last few years, and it will be hard to say goodbye.

I wish everyone a restful and peaceful Christmas and New Year, spending time with family and friends.

4V

Surrealism Art

4V have been studying Surrealism in Art.

Surrealism is an art movement that is influenced by dreams, fantasies and thoughts in our minds.

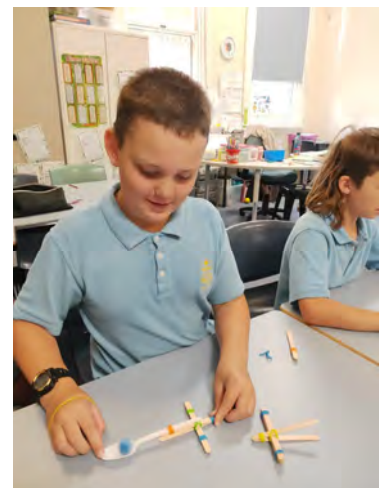

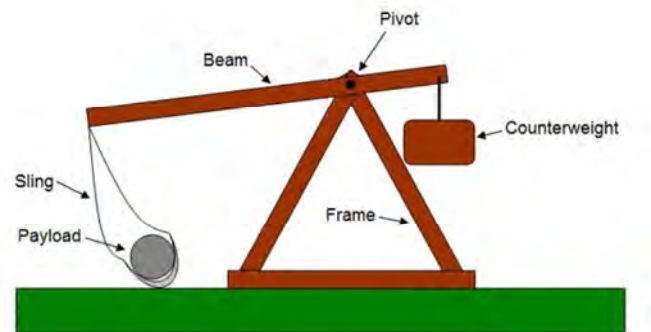

Surrealism Art often combines things you wouldn't expect to see together.

4V: The Trebuchet

A Trebuchet is a type of catapult that uses a long arm to throw a projectile of greater weights further distances than that of a traditional catapult.

4V took on various challenges with their plastic spoon version of the trebuchet such as greatest distance launched, highest launch and most accurate aim.
