From the Principal

Wow! It is amazing to think that it is the last week of an incredibly busy semester. I want to take this opportunity to thank every single member of our school community who has supported our school and our students through what has been an exciting two terms of learning. I also want to wish Miss Mulholland all the best as she finishes up at the end of the week to start maternity leave. I am sure everyone wishes her the very best for the exciting times ahead.

Industrial Action

As you may be aware, last week the NSW Teachers Federation called a 24-Hour Industrial Action to be held on Thursday 30th June. This means that our school will operate with minimal supervision this Thursday.

Assembly

In another change to the week ahead, there will be no whole school assembly this Friday. Assemblies will recommence in Week 2 next term, Friday 29th July.

Student Reports

Student Reports are now finished and, hot off the press, will be sent home tomorrow, Wednesday 29th June .

Teachers have spent many hours preparing these reports and I hope each of you take the time to read your child's report, celebrate their successes and discuss their future learning goals. A reminder that student teacher conferences will be held early next term as a follow up to the written reports.

Athletics

Last Friday saw our students compete in the Track section of the Athletics Carnival along with K-2 students completing a number of novelty field events. What amazed me was the level of participation, which was so pleasing to see. After a couple of years affected by COVID it was so great to hear the chants and supporting cries of students demonstrating a high level of school pride. Congratulations to all students who participated and to those lucky enough to finish in a place. I look forward to celebrating the success of the carnival in full once the field events are complete.

I hope everyone has safe and enjoyable holidays. See you all back for Term 3 on Tuesday 19th July.

Earlier this year, MC students wrote letters to students who were affected by the floods in Northern NSW. Lismore Public School students were grateful to receive some of our letters.

We have been sent this certificate from Lismore Public School in appreciation of our letters.

We hope that we have been able to spread a little love and support to those students affected by the floods.
