#### Tuesday, 31st January

- ◆ Students return

## Farewell Ms Day

Last Wednesday a representative from each K-2 class presented Ms Day with some flowers from all NPS staff and students. It was Ms Day's last day at NPS before going on maternity leave. We wish her all the best and look forward to seeing her and the baby when they come to visit.

## ***From the Principal . . . . .***

Wow, who can believe there is only 9 days of school left to go! What an incredibly crazy year it has been. Whilst there has been so much to reflect on and be really proud of this year, I also can't help but be excited thinking about the next steps in our school's learning journey, returning back to a 'normal' schooling year next year.

Tonight we have our official farewell for our Year 6 group in what will undoubtedly be a fantastic night. I am sure the whole school community joins me in wishing all our students the very best of luck in their journey into high school.

Next Wednesday we will celebrate a very important part of the school calendar, our 2022 Presentation Day. Whilst there will be students who will receive an award and be recognised for many great things they have achieved throughout the year not everyone can receive an award; however, I encourage all students to remember that each and every one of you has something to be proud of!!

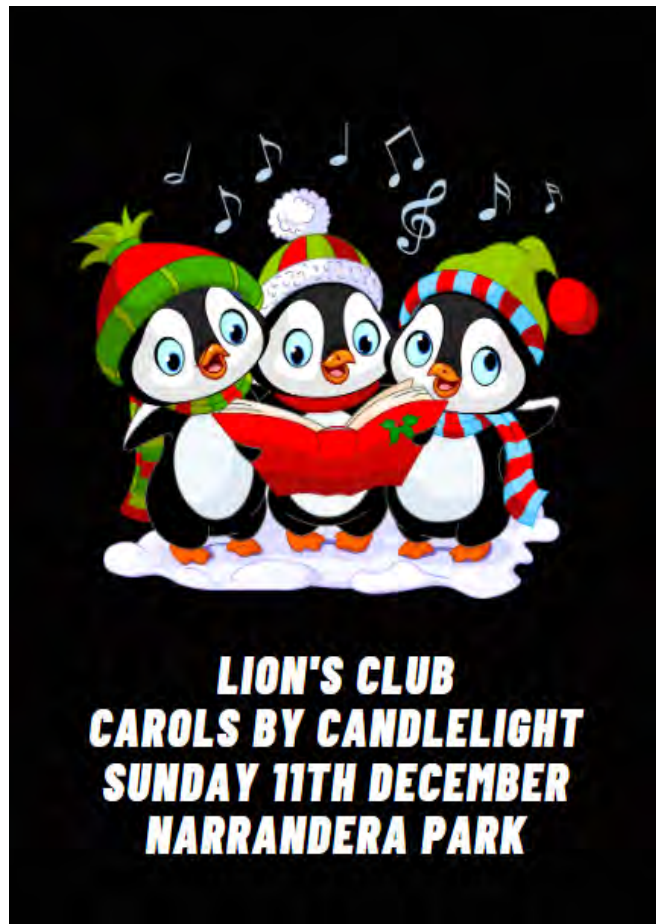

Tomorrow each child will be sent home with a bottle of mosquito repellent that has been provided by the Department of Education. Whilst the repellent cannot be used at school, we do encourage all families to apply it on their children in the morning before they head off for school.

Finally, I want to wish our Year 3 students the very best of times as they prepare for their very 1<sup>st</sup> overnight excursion with the traditional school sleepover. It is one of my fondest memories from teaching Year 3 at NPS 12 years ago and I know each and every child will have a great time.

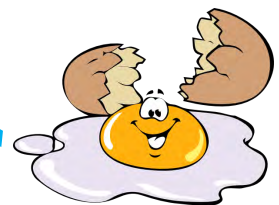

Have a great week.

# Little Learners

Wow- what a wonderful little learners group!!

2022 has delivered our school an amazing cohort of transition children - the biggest Mel has seen yet!! I just want to thank all the families for such great attendance, communication and input into your child's learning experience with us at NPS, making the transition a fun, easy process that should expand to 2023 when Kindergarten starts. I would like to give a huge thank you to Tammy and Simone for their support and help during the semester and Ms Neville and Mrs Levett who will take the reins for next year. It was a pleasure to be part of your child's journey and I can't wait to see them all in their uniforms!!! Have a great holiday break x

Mel Davies

Little Learners Facilitator

MyPlanConnect

Come and meet your NARRANDERA Team and learn how to access the NDIS or how to use your current NDIS plan ~ YOUR WAY!

- Thursday 8th December
- Narrandera Town Library
- 4pm
- Afternoon Tea Provided
- Children Welcome

**DID YOU KNOW?**

Quarter	Half
of 12-13 year olds	of 16-17 year olds
are not meeting minimum sleep guidelines on school nights	

Children who consistently get a good night's sleep:

- Are more able to learn and remember new things.
- Can create and maintain good relationships.
- Are better able to make positive decisions.
- Can concentrate on tasks for longer.
- Have more energy during the day.

So, how much sleep do kids really need?

**Our School has students who are highly allergic to NUTS and NUT PRODUCTS**

**We seek your co-operation in trying to keep our school NUT FREE**

## LEETON SCHOOL DENTAL CLINIC

The School Dental Clinic is available for all children aged from 0 - 18 years of age. We encourage all parents to make an appointment for your child to have a full dental check. Treatment at our clinic is **FREE** to all children who have a Medicare card. To make an appointment please telephone our call centre on

**1800 450 046**

*We hope to see you soon!!!*
