# Congratulations!

NPS are happy to announce Mr Brent Fennessy has been appointed as our permanent school Principal. We look forward to the positive impact Brent will have on NPS and our students.

**Be Respectful**

**Be Responsible**

**Be Safe**

**Be a Learner**

## *From the Principal . . . . .*

Welcome back to Term 3! I hope that everyone was able to spend some quality family time together and recharge for what promises to be a busy but brilliant term.

We have lots of big events already on the calendar for this term starting today with our school basketball teams competing against Leeton Public and Parkview Public at the Narrandera stadium.

During this term we have our dance group performing at KROP and our athletics team will attend the Leeton Narrandera PSSA Carnival in Week 3; we will celebrate NAIDOC week in Week 4 and our Stage 3 students are off on their major excursion to the Victorian Goldfields in Week 8.

Along with all these, we have several class-based excursions and events that will be communicated through individual classes.

Next week we get to meet our 2023 Kinder students with our 'Little Learners Program' starting. We cannot wait to meet them all and hope they enjoy their journey to 'BIG SCHOOL'. In addition to this we will be holding an information night for any families attending transition tomorrow, Wednesday 20th July, in the library from 5pm.

We are in the final stage of organising our parent conferences for this term with more information to come out soon. We hope everyone will take this opportunity to sit down with your child's teacher and discuss their learning journey along with developing goals for the remainder for the year.

This week, in line with Departmental guidelines, we will be sending home another batch of RAT kits for each student. The advice remains that if your child is suffering from any flu like symptoms, please keep them home while they rest and recover. If you have any concerns about this, please don't hesitate to contact me at the school.

Have a great week,

**Brent Fennessy**

### 2022 Challenge details

The PRC is well underway, with many students entering their books already! Please note the challenge closing dates for student entries and coordinator validations:

*Challenge closes for student entries: Friday 19 August 2022*

*Challenge closes for coordinator validations: Friday 2 September*

2022

There have been a number of updates to the [challenge rules](#), so please make sure you familiarise yourself with these. The challenge is open to students in year 10 again in 2022, to ensure that any students who were not able to meet the requirements for the award of PRC medal in 2021 are able to do so this year. Please also note the addition of rule 7C, which provides allowances for school coordinators to support students as needed if their ability to complete the challenge is impacted by factors outside of their control. If you have any questions about the PRC rules, please email us at [prc@det.nsw.edu.au](mailto:prc@det.nsw.edu.au).
