## ***From the Principal . . . . .***

### **Welcome to Week 9**

With under two weeks to go in the term it is so great to see that learning continues to happen in our classrooms each and every session. Over the past few weeks I have sat in on meetings with teachers and listened to the conversations around student results. It is positive to hear the pride teachers are taking in their students achievements and I believe this will be highlighted in our student conferences next term. One final reminder for the term as we get towards the end, is to keep pushing hard to get to school every day on time when healthy enough to do so.

### **School Reports**

School reports will come home early next week for you to read and discuss with your child regarding their learning for the first two terms. In Week 1 of Term 3 your child's teacher will make contact with you to book in a time to meet and discuss learning that has happened so far this year and set goals for the rest of the year.

### **Athletics Carnival**

This Friday starting at 12:00pm our school will head over to Marie Bashir Park for the track section of our Athletics Carnival. As a school this is always a big event and one that the students love spending with their families supporting them. Hopefully we get some nice weather and we will see as many of you as possible supporting your children.

### **KROP**

Our amazing KROP dancers led by Ms Ruffles and Miss Bradford are stepping up rehearsals as they move towards their big performance dates next term. KROP tickets for the night shows go on sale Wednesday 22nd June @ 10am and sell out fast! Please contact the Griffith Regional Theatre on 6962 8452 for more information. If your child is a dancer they do not need a ticket as they will stay with the NPS group.

As a school we will be taking a coach load of students to the matinee performance. A permission note will be sent to students this week. We have been allocated 55 tickets. To secure your place, the first 55 students to pay and return their note to the front office will have the opportunity to go.

### **Sport**

A huge congratulations to all our students who have participated in sporting events over the past few weeks. It has been so great to hear that no matter the result, our sportsmanship and fair play are always of the highest standard. Our students are well known for representing themselves, their school, and their families well.

Congratulations to Chase Makeham for his participation at the Riverina Cross Country in Gundagai last week. Chase placed 33rd overall. A cracking effort amongst so many high achievers! We hope you are proud of your efforts Chase!

# 2022 Touch Football Gala Day

On Friday 17th June, Mr Mellon and I were lucky enough to take students from Stage 3 to the Touch Football Gala Day at Parkview Public School. The students played two games in a knockout rotation. In the first game both the boys and girls played Parkview Public School and were unsuccessful in beating them. However, in the second game both teams won against the Small Schools side. All of the boys and girls had an amazing day and I was impressed to see the high level of sportsmanship they showed. Both Mr Mellon and I were pleased to see the students develop their skills and improve over the two games. A big thankyou to Mrs Kerr, Simone and Mrs Forrell for picking the teams and making sure everything was organised for the day. Well done boys and girls!
