## *From the Principal . . . . .*

Wow, March already!! This year is flying by with every week providing some incredible opportunities for our students. March also means Easter is approaching and time to start collecting eggs for our P&C Easter Raffle. Raffle tickets were sent home with students last week and should be returned to the Front Office. Any donations of Easter eggs are gratefully accepted and should also be handed in to the Front Office. Any student that donates an Easter egg will have their name put into the raffle.

This week, our 8 Prefects are in Sydney with Mrs Jamieson attending the Young Leaders Conference. This opportunity is all about providing our next generation of leaders with the inspiration to do whatever they want. A huge thank you to Mrs Jamieson for giving up her time to provide this opportunity for our students.

On Wednesday, our Year 4 students head off to Lake Talbot for 3 days of outdoor camping adventures. This excursion is a personal favourite of mine, and I can't wait to spend time with the students in the outdoors and witness kids being kids and enjoying our incredible local environment. A huge thank you to Mrs Van Werven, Mr Svensen, and Mrs Files who have done all the hard work behind the scenes.

A reminder that the Back to School Vouchers can be used to pay off our major excursions. If you are unsure about this please reach out to the Front Office where the ladies will be more than happy to help you out. These vouchers provide a great opportunity to make these brilliant excursions even more affordable.

Yesterday, after a long wait, construction on our new K-2 Playground commenced. In the coming weeks, this space will provide a brilliant area for all our students to socialise and enjoy their breaks.

Next week, our Year 3 and 5 students start NAPLAN, with all students participating in 4 assessments. While these assessments provide a great opportunity to see where each child is at in their learning journey, it is only one assessment on one day. If you have any concerns about your child as we approach NAPLAN, please reach out to Mr Fennessy at the school.

Have a great week,

Brent Fennessy  
Principal

A considerable number of dental injuries occur during contact sport. Wearing a mouthguard or full-face helmet when training or playing contact sports can minimise injuries to teeth, the jaw and surrounding tissue.

# Moving to high school

For Year 6 students attending **Narrandera Public School**

In NSW Government schools, moving from primary to high school is called the 'Year 6 to Year 7 transition' or simply 'high school transition'.

You will need to complete an expression of interest for Year 6 to 7 transition. The expression of interest lets you indicate which school (s) you would like your child to attend in Year 7. After you submit this expression of interest and it has been assessed, your child will be offered a place at a government high school.

**From Friday 4th March 2023, parents will be able to complete the EOI online.**

Parents can apply for their child's local school, as well as up to three Out-Of-Area or non-local schools.

The online expression of interest process makes it faster and easier to see your child's options for high school and nominate your preferences for next year.

To start your expression of interest, open your internet browser to:

<https://year7.enrol.education.nsw.gov.au/?schoolCode=2710>

Click on Start expression of interest.

**The last day for submission is 31 March 2023**

Your child is entitled to a place at their local high school. However, it is important that you complete the expression of interest so that your school can support your child's transition to which ever school you nominate.

If you require further information or assistance, please contact the Front Office on 6959 2144.
