PRINCIPAL'S REPORT

We were thrilled to see a massive turnout for Carnivale at the end of last term! It was wonderful to witness our students showcasing various cultures from around the world on stage, and our World Tour was, as always, a brilliant celebration of diversity and talent.

Now that Term 4 is in full swing, we have some exciting events on the horizon, including Swim School and end-of-year functions. Be sure to keep an eye on School Bytes for updates and important information.

We're also pleased to announce that our online canteen ordering through Flexischools app is now live! A huge thank you to our dedicated P&C for making this possible.

This term, attendance will be a key focus. We will provide weekly updates on class attendance. Last term, our average attendance was 84%, with classes KN, 5K, 1V, 2B, 3/4S, and 3/4V all exceeding this mark. This term, we are challenging our students to improve their attendance and beat the school average each week. Classes that meet this challenge will receive weekly rewards!

As we begin planning for next year, please don't hesitate to contact the school if you have any preferences regarding class placements.

Lastly, I hope to see many of you at this weekend's Spring Fair! It promises to be a fantastic community event and a wonderful opportunity for our students to express their creativity.

Thank you for your continued support!

Transport for NSW

School Student Travel

School student travel information for parents and students

School Travel Passes

Applications are now open for 2025 School Student Transport Scheme (SSTS) travel.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their School Opal card at their nominated postal address from mid-January 2025.

Students who require a School Opal card or travel pass but have not yet applied need to [apply](#) or [update](#) their details as soon as possible.

In the Opal network, students should travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Students living in rural and regional areas will receive their travel pass from their nominated transport operator. It may be issued via their school or be sent directly to them at home. **Note:** some rural and regional operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Terms of Use

Students using School Opal cards must tap on and tap off in line with the [Opal terms of use](#).

This includes travel within the approved times between 6.30am and 7.00pm from Monday to Friday on school days only. Students must use their Child/Youth Opal card for any travel outside these times.

All students are required to comply with the [Student code of conduct](#). The code of conduct aims to ensure the safety and well-being of school children and other passengers. It is important that parents ensure their child is aware of this, as failure to comply with the code of conduct can result in a suspension from travel.

Mail sent from the Stakeholder Liaison Team, Customers Systems and Operations.
