Year 4 Camp

At year 4 camp we went to the pool, it was fun even though we were in the island pool. On Thursday and Friday we went bush walking, we didn't find a lot of koalas but we did find a lot of fool's gold, some quartz and oak. We were blessed with delicious food for breakfast, lunch and dinner. It was hard to sleep because of the rain and the wind. At night before bed we played bingo. Some of us got big prizes, others got little prizes. On Friday we had to take down the tents. By Amber.

On Wednesday the 21st November, Year 4 went to the caravan park to have their camp. On the Wednesday we set up and went to the pool. At night we played bingo. On Thursday we went to the pool again and we went on a koala count. Zahli spotted the first koalas that day, a mum and a baby. That night we played bingo. On Friday we went back to school one hour earlier because of the bad weather. We packed up and went on a bush walk. When we got back to school we watched a movie and went home to our warm beds. Thank you Mrs Cassidy , Miss Paull, Simone and Richard. By Chloe.

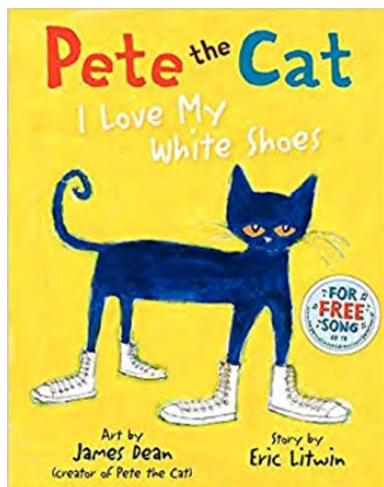

One Wednesday I got up feeling better than ever. When I got to school we got to play like normal. When play was over we went to the hall and took all of our gear to the bus. We got on the bus and went to the Lake Talbot Caravan Park. We set up Jett's tent and after that we had morning tea. After lunch we went to the pool. At the pool we had a little swim and then I played with toy skateboards. Then we went back to camp, had tea, and went up to the rec room for bingo. After bingo we went back to camp, had supper and went to bed. By Harry.

Little Learners

During our second last week of 'Little Learners' we enjoyed listening to 'Pete the Cat' on the interactive whiteboard.

Afterwards we went on a scavenger hunt around the school to find Pete's different coloured shoes. The Little Learners marked off each different coloured shoe as we found them, using a recording sheet and clipboard. This was not only lots of fun but reminded us of where different areas around the school are like the sports shed, the library, the office, and the canteen.

We found the last shoe (and a chocolate treat) in the computer room. We then made some house pictures on the computer using shapes in Microsoft Word with 3R and Mr O. A big thank you to 3R and Mr O!
